## **SAINIK SCHOOL NAGROTA IS HOSTING A FILM FESTIVAL**

We are proud to announce that our school will be hosting The International Kids Film Festival (IKFF) in association with LXL Ideas from 14 Nov – 17 Nov 2018.

The IKFF is a unique film festival hosted by schools across the globe that provides an opportunity for students to 'Watch' the best of International Children's Films, 'Learn' from film-making master classes and 'Make' films to participate in the 'World's Largest Student Film-Making' Competition.

During this period, students will get to watch a unique selection of globally diverse films across a range of languages that have been specially curated for the IKFF.
